Learn-To-Sail Registration

We are very pleased that you or your child will be joining us for a fun and productive summer on the water! We have a great program planned by highly qualified and fun-loving instructors.

We have made a few changes to the program this year:

1. **The first change is to revert to 2-week sessions. While the first session starting June 26 remains a 1-week session, sessions 2, 3, 4 and 5 are two-week sessions. This allows for better lesson planning and development of sailors.**

2. **We accept requests for one-week sessions but want to limit them to sailors in Wetfeet and CANSail 1&2. Also, students already registered for a two-week session can request adding a single week on either end of that session. Fees for 1-week sessions are 60% of the listed fee.**

3. **We have Spring and Fall programs for sailors in CANSail 3&4 and higher. These will run on the weekends in June and September (4-weeks each) from 11:30 AM to 3:30 PM.**

4. **We will have a Race Team for Laser and 420 sailors. For more information contact lts@lyc.ns.ca.**

5. **Participants in the LYC Learn-to-Sail Program are not required to join LYC as a junior member unless the sailor keeps a boat on LYC property, or if the sailor wishes to participate in any races, events or other activities at LYC outside of the regular 9am-4pm scheduled sailing sessions.**

Please note that our fees have not increased this year. The two-week sessions are simply double last year's one-week session price. Furthermore, we will still offer free sessions for those sailors who plan to participate for most of the summer. As long as a sailor is registered for at least three of the two-weeks sessions, the remaining two-week session and Session 1 are free. Therefore, the cost to attend learn-to-sail for all 9 weeks remains the cost of six weeks of programs.

If you have any questions, please contact lts@lyc.ns.ca
