

Registration Information

To register for one of LYC Rowing's classes or programs, you must use Rowing Canada's on-line registration system. This ensures that all members are covered by Rowing Canada's basic insurance. Your RCA # will be your number for life and you won't need to re-create an RCA profile each year to get a new one. All fees must be paid and a waiver signed and passed in to the club before you get on the water.

Registration Instructions

1. Click on the link below ("Registration @ Rowing Canada – Click here") to begin the process.
2. Find the program you are interested in and click "join".
3. If you already have a Rowing Canada (RCA #) number, skip to step 4. If you don't have an RCA #, click "Register now" to register for your Rowing Canada (RCA) number (free). Once you have entered all required information, click "create my account". You will receive a confirmation email that your RCA profile has been created.
4. You should now be taken directly to information about the program you chose to join.
5. Your registration status will be 'pending' until the required fees have been paid and a signed waiver delivered to the club. We will have extra waivers behind the bar for those who do not have a printer or forget to bring one.
6. Fees may be paid by cash, cheque or credit card in person at LYC.
7. Once you have paid your fees and delivered your signed waiver, we will confirm your registration and you will receive an email with your RCA #.

Before anyone is allowed on the water, they must have an RCA #, all fees must be paid and the LYC Rowing waiver must be signed.
