

LUNENBURG YACHT CLUB HIRING FOR THE 2022 SEASON

Come and work with us. We promise you will have fun too, since we do fun really well.

What we do –

- **We operate a licensed, full-service Dining Room and Bar from mid-June to early October.**
- We serve lunch and dinner Tuesday through Saturday and brunch on Sunday.
- In July and August we feed lunches to kids taking sailing lessons every day and we feed competitive racers three nights a week.
- We do weddings, regattas, TGIF events, and lots of other special events.

Who we need –

- A few fun-loving but dedicated and hard-working individuals for seasonal employment
- A few others who may only want a shift or two a week, or want to help with special events
- People who want to learn and grow in a positive and inclusive team environment
- **Kitchen, Front of House and Special Event staff positions are available.**

How we will help you –

- Competitive wages plus shared gratuities where applicable, work shirts provided and while on duty, a half-price staff discount on all meals
- Flexible working hours – daily operations from 11 am to 8 pm, some earlier mornings and later evenings during special events – work schedules done in advance to help you plan your time.
- Preference will be given to applicants with food service experience, however, a “can do” attitude and a positive outlook are welcome too. We are willing to train you and we will host an orientation session for all new and returning staff before the Clubhouse opens in June.

If you want to learn and grow working in a beautiful workplace for the summer, please contact us, lycmanager@lyc.ns.ca . We look forward to hearing from you !!
