

**LYC Rowing, Program Coordinator position  
Summer Job, 2023**

If you love being on the water and working with great people, LYC Rowing is looking for a Program Coordinator for Summer 2023.

You will be responsible for member communication, social media, equipment monitoring and maintenance, safety boat operating, and facilitating safe and enjoyable rowing for members and visiting rowers.

On the job training will be provided. Rowing experience an asset but not required. If you want to learn to row, we can teach you!

Must have boat operators card, experience operating boats with outboard motors and First Aid certification. We will cover training and certification costs if you can commit for the summer!

Pays \$16.50 an hour, flexible full time hours from mid-late June through Labour Day. Must be available at least some early mornings and evenings, exact schedule to be discussed.

Amazing views come with the job! Email [rowing@lyc.ns.ca](mailto:rowing@lyc.ns.ca) for more details. Please share!
