I, _____ am registered in a Sailing Program at the Lunenburg Yacht Club (LYC).

I acknowledge and agree that there are inherent risks to personal safety in water-based activities such as sailing and that some risk remains, notwithstanding all due regard for safety and taking proper precautions. I accept these risks.

In consideration of the above and my admission to the Sailing Program at LYC, I, the undersigned, release, hold harmless and forever discharge the Lunenburg Yacht Club, its employees, directors, volunteers, successors and assigns, from all actions, causes of action, damages, claims and demands whatever which we have or which we, our heirs, executors, administrators, or assigns may have either independently or on my behalf, against LYC, its employees, directors, volunteers, successors and assigns, by reason of, or arising out of, my participation in the LYC Sailing Program or by reason of any other cause, matter or thing whatever existing or arising during my participation in the LYC Sailing Program.

And further, I agree to indemnify LYC, its employees, directors, volunteers, successors and assigns, against all action, damages, claims and demands which may be brought against it or them by or on my behalf in respect or arising out of my participation in the LYC Sailing Program and against any loss arising therefrom.

I have read this document and understand that it is a full and final release of all claims for damages or injuries, and I have read over the agreement to indemnify and understand the responsibilities which we have assumed thereunder.
